

Private Office Rentals & Co-working Space Memberships

at Union River Center for Innovation

Union River Center for Innovation has the space you need to work remotely. Co-working desks and private offices are equipped with high-speed internet, office furniture, and storage to safely secure your belongings. Our conference room allows you to have a private space to host meetings, either in-person or virtually. We offer our users access to many facility amenities, including:

- **Printing and mailing services**
- **High-speed internet**
- **Coffee/tea**
- **Kitchenette**
- **24/7 building access**

Working at the Union River Center for Innovation, you will be surrounded by synergetic remote workers and innovative entrepreneurs. All of these offerings are located on the banks of the scenic Union River, adjacent to the City's Harbor Park and Marina, and walking distance to historic Main Street, with various shops and dining options. We're here to meet your remote working needs!

"The private offices at the Center allow me to work from an office setting surrounded by other like-minded remote workers and entrepreneurs; while still having access to all amenities needed to do my job, like high-speed internet. I love the ability to work for one of the largest companies in the world, while still living in and being involved in the Ellsworth-area community."

-Kyle Shank, Marketing Science Partner, Facebook
